

'Cymbidium Chatter'

Edition 2b March 2020

Cym Steve Cantrell 'Courage'

Another edition of Cymbidium Chatter, not much to read but some more wonderful photographs for you to enjoy from Santa Barbara. Special thanks to Duy Nguyen and Peter Alonso for giving me permission to use their photographs. From what I have seen the quality of flowers is significantly better than when I was there in 2017. Enjoy!

Cym Cindie Medak 'Charm'

Cym Sheryl Crow 'If it makes you happy'

The 3 flowers were hybridised by G Hatfield

All photographs by Peter Alonso
